

## **CURRICULUM DRA. GENEVIÈVE GUERTIN**

---

**\*Geneviève Guertin ,DMD, certificate in Prosthodontics, MScEd, FRCD (c)**

Dr. Geneviève Guertin obtained her DMD (doctorate en médecine dentaire) in 1996 at the Université de Montréal. After one year of general practice residency at St-Mary's Hospital, and one year in private practice, Dr. Guertin decided to undertake an academic career. She was accepted at the Herman Ostrow School of Dentistry at USC in Los Angeles and completed a certificate in the speciality of prosthodontics. She also obtained a masters degree in Science Education from the same university. Doctor Guertin holds a full time position as professor at the Université de Montréal teaching fixed prosthodontics and implant dentistry. She also is the owner of a specialty clinic where she practices prosthodontics..
